

Appraisal Policy for Learning Support Assistants

INTRODUCTION

This policy is based on the Hertfordshire model policy May 2013. Performance management recognises and values strengths and supports colleagues in developing their expertise so that they can be even more effective. As such, it is at the very heart of school improvement. All members of staff need regular feedback on their professional practice and some will, at times, need support to develop areas of weakness.

The commitment of Learning Support Assistants to the work of our schools is a key factor in enabling pupil achievement, progress and success. To help them perform these roles effectively, and to recognize their achievements, every member of staff requires a rigorous and constructive annual appraisal process linked to individual development planning. This policy and its accompanying procedures seek to ensure that Learning Support Assistants feel the annual appraisal made of them is fair and consistent and that they are properly supported in their professional development. It complies fully with new statutory regulations whilst offering flexibility to tailor the policy and procedures to meet their differing individual needs.

2 Application of the policy

The policy applies to all members of Learning Support Assistants employed by the school or Local Authority, except those on contracts of less than one term, and those who are subject to the school's capability policy.

3. Learning Support Assistant Appraisal

3.1 Appraisal at Greenside School should be a supportive and developmental process designed to ensure that all Learning Support Assistants have the skills and support they need to carry out their role effectively. It will help to ensure that staff are able to continue to improve their professional practice and to develop.

3.2 The appraisal period

The appraisal period will run for twelve months from 1 September to 31 August.

3.2.1 The annual audit/assessment for Learning Support Assistants will be completed no later than 21st October in each appraisal period to allow time for Performance Related Increments (PRI) ratings.

3.2.2 Learning Support Assistants employed on a fixed term contract of less than one year will have their performance managed in accordance with the principles underpinning this policy. The length of the period will be determined by the duration of their contract.

3.3 Appointment of Appraisers

3.3.1 The head teacher will decide who will appraise members of Learning Support Assistants. In this school, this will normally be

- The head teacher;
- Deputy / Assistant Headteachers.
- Members of the senior leadership team;
- A member of the teaching staff with a clear line management overview of the appraisee's work.

3.4 Setting Objectives

3.4.1 Objectives for each member of Learning Support Assistants will be set before, or as soon as practicable after, the start of each appraisal period. The objectives set for each individual will take account of the following:

- Greenside School Assistant Attributes check-list (see appendix 1)
- relevant occupational standards;
- the individual's job description;
- the person specification relating to the individual's role;
- the school's definition of PRI ratings where appropriate.

3.4.2 The objectives set will be Specific, Measurable, Achievable, Realistic and Time-bound and will be appropriate to the individual's role and level of experience. The appraiser and appraisee will seek to agree the objectives but, if that is not possible, the appraiser will determine the objectives, and the appraisee may record their comments in writing as an appendix to the appraisal statement. Objectives may be revised if circumstances change.

3.4.3 The objectives set for each member of staff, will, if achieved, contribute to the school's plans for improving the school's educational provision and performance and improving the education of pupils at that school.

3.4.4 Under normal circumstances staff will have at least 1 target and a maximum of 3 objectives. However, staff who are found not to be meeting standards at an acceptable or appropriate level for their career as indicated by the annual ratings audit may be given as many additional objectives as are required to ensure that the most appropriate support can be provided.

3.4.5 Time will be provided for staff to conduct a self-audit with reference to the school's Assistants Attributes check-list.

3.4.6 Each member of staff's appraiser will complete the audit in exactly the same way. Where the appraiser indicates that performance is unsatisfactory, they will need to be in a position to back up their judgement by reference to written evidence previously shared with the member of staff.

3.4.7 The audits will then be exchanged. At least a week will be allowed for the appraiser and the appraisee to assemble any necessary evidence.

3.4.8 Appraisee and appraiser will then attend a Professional Dialogue meeting of up to 30 minutes. The aim of the meeting will be to set objectives for the coming year and to determine any professional development requirements.

3.4.9 Decisions regarding PRI ratings will be referred to the head teacher (or to the member of senior staff with delegated responsibility for the

process) who will meet with the appraisee, consider all available evidence, and inform the appraisee of their decision

3.4.10 Disputes concerning PRI ratings will be dealt with through the school's pay policy.

3.4.11 The objectives decided at or following the Professional Dialogue Meeting will form the basis of the annual appraisal report which will be issued to all members of Learning Support Assistants by 1st December.

3.5 Reviewing Performance

3.5.1. Observation

This school believes that observation of work practice is important both as a way of assessing staff performance in order to identify any particular strengths and areas for development they may have and of gaining useful information which can inform school improvement more generally. All observation will be carried out in a supportive fashion by those with knowledge of the appraisee's work and appropriate and timely oral and/or written feedback will be given.

3.5.2 Development and support

Appraisal is a supportive process which will be used to inform continuing professional development. The school wishes to encourage a culture in which all staff take responsibility for improving their skills through appropriate professional development. Professional development will be linked to school improvement priorities and to the ongoing professional development needs and priorities of individual staff.

3.5.3 Feedback

Staff will receive constructive feedback on their performance throughout the year and as soon as practicable after observation has taken place or other evidence has come to light. Feedback will include discussion with the member of staff, will highlight particular areas of strength as well as any areas that need attention and will determine any appropriate action required.

3.5.4 Where there are concerns about any aspects of the individual's performance, these will be addressed in conjunction with the Head or a senior member of staff in line with Hertfordshire County Council procedures.

3.5.5 When progress is reviewed, if the appraiser is satisfied that the appraisee has made, or is making, sufficient improvement, the appraisal process will continue as normal, with any remaining issues continuing to be addressed through that process.

3.6 Transition to capability

If the appraiser is not satisfied with progress, the appraisee will be notified in writing that the appraisal system will no longer apply and that their performance will be managed under the school's capability procedure. This will trigger the commencement of the formal capability procedure.

3.7. Annual Assessment

3.7.1. Each individual's performance will be formally assessed in respect of each appraisal period.

3.7.2 This assessment is the end point of the annual appraisal process, but performance and development priorities will be reviewed and addressed on a regular basis throughout the year by means of:

- Task observations
- Meeting(s) with appraiser;
- Observation / scrutiny of leadership and management activities where appropriate;
- Other feedback obtained during the cycle relevant to the appraisee's overall performance.

3.7.3 As soon as practicable following the end of each appraisal period, the appraisee will receive, and have the opportunity to comment in writing on, a written appraisal report..

The appraisal report will include:

- details of the appraisee's objectives

The report may include:

- an assessment of the appraisee's performance of their role and responsibilities against their objectives, relevant standards, job description and person specification;
- an assessment of the appraisee's training and development needs and identification of any action that should be taken to address them;
- a recommendation on pay progression where that is relevant and in keeping with Hertfordshire's Terms and Conditions of Employment for school Learning Support Assistants and PRI requirements.

3.7.4 The assessment of performance and of training and development needs will inform the planning process

3.7.5 Any recommendations on pay will be referred to the head teacher before being referred on to the Governing Body.

3.8 Confidentiality

Access to the written appraisal report will normally be limited to the appraisee, the appraiser, the head teacher and / or nominated member of the senior management team.

3.9. Equality and consistency

3.9.1 The head teacher will have overall responsibility for the quality assurance of the appraisal process for Learning Support Assistants across the school and may delegate this responsibility to a member of the senior leadership team or other senior/middle manager.

3.9.2 The head teacher will be responsible for reporting annually to the Governing Body on any relevant issues, including those of underperformance, arising from the annual review cycle and on any action required to address those issues. The report will enable governors to receive an overall general report of the process but will not include specific details relating to individual members of staff.

3.9.3 The Governing Body is committed to ensuring consistency of treatment and fairness and will abide by all relevant equality legislation.

3.10 Retention of statements

The Governing Body and head teacher will ensure that all written appraisal records are retained in a secure place for six years and then destroyed.
