

Greenside School
Learning Achieving Together

Volunteer Policy

Reviewed: 3rd March 2021

Introduction

“A Volunteer is a person who voluntarily offers himself or herself for a service or undertaking willingly and without pay”.

The value of well-deployed volunteers in schools is widely recognised. At Greenside School, we welcome and encourage volunteers with their range of skills and experience they provide and recognise they can enhance the learning opportunities of learners, helping to raise their full potential. Greenside has no doubt that the school benefits greatly from volunteer support and appreciate their time and commitment they bring to our school. It is important to remember that when a person is acting as a ‘Volunteer’ they are not a paid member of staff, therefore must be treated accordingly and respectfully. All employees must make all Volunteers feel very welcome and treat them with the utmost respect at all times. A “Thanks” goes a long way.

This policy will provide a clear statement on the correct engagement and deployment of volunteer support throughout the school. It will also indicate and highlight correct protocols of how Greenside will maintain procedure through a high standard of training, communication and a safe working relationship.

Greenside’s Volunteers past and present can include:

- Parents
- People across the community
- Current midday supervisors and cover staff
- Former employees
- Learners
- Work experience learners
- School Governors

Types of activities the volunteers engage in, on behalf of the school, may include:

- Swimming
- Assisting in or outside the classroom
- Accompanying school outings
- Assisting school events

A named member of staff will act as a Volunteer Co-ordinator. Their role is to implement this Policy and to ensure all aspects of Application, Induction, Training and Placement are overseen. This will be in collaboration with the Senior Leadership Team, School Secretary and the allocated Mentor. The Volunteer Co-ordinator will also maintain communication with the Volunteer throughout their duration at Greenside to ensure their general welfare and role as a ‘Volunteer’ is being maintained.

Becoming a Volunteer

When a potential Volunteer approaches Greenside School with regards to offering their assistance they will undertake a procedure to ensure correct and safe protocols are implemented

Swimming Pool

Most volunteers are based at the swimming pool. They will undertake a separate Pool Induction, provided with Pool Policies and information regarding the learners/class they will be assisting. They will also be permitted to ‘Watch’ a session prior to participating. The Swimming Pool Manager/Instructor or an experienced adult will work with the Volunteer in the water during their first pool session to ascertain competency, safety and confidence. More training/assistance will be provided for a few weeks specifically to the individual.

Classroom

Volunteers will be taught and guided by the Class Teacher/Tutor how to interact and assist the learners and how to assist with particular activities to help enhance their learning objectives. The Class Teacher/Tutor will ensure the Volunteer is fully aware of learner needs and the ‘Class Health & Safety File’. All class staff must ensure they remember the volunteer is a ‘Volunteer’, therefore treated as one and not taken for granted and given the same responsibility as an employee.

Safeguarding & Supervision

A Volunteer must complete and await approval for their **Enhanced** DBS check, prior to starting at Greenside. Any differentiations i.e. DBS from similar environment, learners, work experience, training etc will be required Head Teacher approval. No adult without a DBS is permitted to change learners.

Volunteers are subject to procedures outlined in the school Disciplinary policy

Insurance

Volunteers are covered under the insurance from Herts County Council – details regarding this can be found on the grid:

http://www.thegrid.org.uk/info/healthandsafety/visits/documents/herts_cc_policy_summary_2015.pdf

Herts County Council state that Volunteers working with children in the school setting must receive safeguarding training. The Head Teacher will implement this.

Volunteers should not be left unsupervised with a learner. This is for safety reasons and allows the Volunteer to always feel they have support and someone to assist upon a potentially difficult situation which may result in staff taking over applying their training. At the Swimming Pool, there are occasions where a learner requires a toilet or something similar where it is difficult to swap members of staff around. The Swimming Pool Manager has permission from the Head Teacher to make this judgement as required, taking into account the Volunteers experience and competency. A new Volunteer is certainly not allowed. Volunteers should not be left alone supervising learners in the pool lobby.

People who provide a 'One-off' assistance (this may include a learner) will be fully supervised at all times, wearing a Red Visitor Badge. They will not be permitted to 'Change' a learner or be in a changing area whilst changing is in place.

Where Volunteers are recruited by an external organisation or come from another school or college, it is important that the school obtain assurance from that establishment to ensure they are who they say and are properly vetted.

Volunteers (non-employees) are not permitted to be aware of the door code to access the school.

Any Volunteers under the age of 18 will require a Risk Assessment.

Volunteers should have clear guidance from the Mentor as to how an activity is carried out and what the expected outcome is to help achieve the learner's full potential.

Volunteers should **not** be asked to carry out duties which:

- Put their own personal safety at risk
- Involves assisting learners who have a high risk of danger
- Involves assisting who have a high risk of medical needs
- Normally fall within a Class Teacher or Classroom Assistant responsibility

Where a volunteer is also a member of staff in another role, at the point of volunteering, it is important to provide adaptations to avoid incorrectly taking advantage of their role.

Informal Meeting

Upon receiving the Application form, the Volunteer Co-ordinator will arrange an informal meeting. This is to ascertain whether the applicant is committed and feels comfortable with the placement. It will also allow the Co-ordinator to judge their character, experience and personal qualities to suitably provide a suitable placement that will help both the applicant and Greenside. The interview will also allow time for the applicant to ask any questions. APPENDIX 1.

The Informal Meeting may not necessary for current/former staff or former volunteers.

Role of the Volunteer

All Volunteers must be respectful of learners and staff. Ensure that they do not affect the smooth running of a class or lesson. They will also be required to be reliable within their agreed commitment day/time. Be flexible and be prepared to move to different classes when asked. The Volunteer will be required to follow the school's Safeguarding Policies and practices. The Volunteer may be asked to attend supervisory meetings with a member of the Senior Leadership Team.

Confidentiality

All volunteers are bound by a code of confidentiality. All information learnt or mentioned in school must be maintained within the school. No confidential conversations are permitted outside the school premises. It is not within the Volunteers role to discuss learners with parents.

Volunteers, who are concerned about anything in school, should raise the matter with the Volunteer Co-ordinator/ Head Teacher or Designated Safeguarding Persons (DSPs).

The Volunteer will be required to fill out a Volunteer Agreement Form (APPENDIX 2). This is to ensure they understand it is vital to maintain confidentiality regarding school learners, staff and operations. This will be filled in the Volunteers Folder (in the school office).

Health & Safety

The Volunteer Co-ordinator will ensure that Volunteers are clear about emergency procedures and evacuation points.

Volunteers are advised to be familiar with Greenside's Health & Safety Policy together with other current school policies, these can be found on the school website:

<http://www.greenside.herts.sch.uk/information/School%20Policies.html>

Breaks

It is important to remember that Volunteers are 'Volunteers', they are entitled to breaks and must be encouraged to take one during a morning session. Consideration must be made if the Volunteer also works at lunchtime as a MSA. The Volunteer Co-ordinator will ensure a break is provided where appropriate consulting the Volunteer's needs and assessing the duration of time assisting.

What can Greenside offer

Greenside School would like to feel it can return and offer as much as possible to any Volunteer through training or knowledge. As a Volunteer, we feel they will gain:

- Safeguarding / Hoist / Moving & Handling Training
- Pool Training
- Experience and knowledge from all Greenside staff
- Safety Awareness
- Communication (including Sign Language)
- How to enhance learner's full potential
- Enjoyment of working in a rewarding and positive environment
- Friendly working environment
- Inset Day seminars
- Knowledge of Risk Assessments
- Supporting learner's health and wellbeing
- How to encourage independence and progression

Volunteers are still permitted during this time. Swimming Volunteers have been issued guidance & reminded if they are unwell they must not attend school. Minimal amount of volunteers are currently in. Volunteers wear face coverings to and from the pool. There is currently no plan to recruit any new volunteers.
